1. I will bring you here many times to meet with Me, and people who love Me, and are interested in learning more about Me and what I develop through you and your students—masters you raise up for Me, raise up for Me in all walks of life and in every strata of society—supposed, imposed—real and surreal.

I love you Ted and I exalt you this day as you sit in the [Oklahoma] State Capitol and exalt Me by beginning your school of schools and incorporating and taking the tangible steps of obedience to represent Me to My Mine in fullness displayed.

2. I love you so and I love My body and I love what I'm doing and about to do and will do so well, so excitedly, so enthusiastically, so passionately, with My ones who come to Me and to My school of schools, and schools make with master disciples and master students and all learning from each other in trust—environments of trust, trust, trust and love and belief in each other and the penultimate—Me.

3. I love you and bronze sculptures make of masters who portray Me and My value system of trust, belief in others—servanthood—leadership—meekness, skill, scholarship and excellence—all exhibiting Me and what I am doing for them, in them—did, done, and doing.

4. I love you and prepare you now for next steps which accelerate that which I only can do, and marvelous things proclaim and display through My Covenant surrendered. Oh maximizing the effectiveness I am of all who will let Me and let Me flow through them in the exposition and exhibition of My power for all to see who will eyes open, hearts open, and see Me for who I am.

5. Oh capitols shrink not back from but propel many into, with no inhibition, no intimidation, but comfortably operating in halls of power and political prowess affecting nations for Me, governments of abundance, governments of lack, governments ignorant of My kingdom principles and relationship on which economies—lives—thrive—as designed—by Me—Me—only Me.

6. I alive and I encourage and I economize not in the new things I am doing as onto Capitol steps I walk My abundanced ones who in My abundance walk—leadershipped, leadershipped at My knee, amongst the would-be-used-by-Me, any way I want to use them, disappointed not how I use them or when, but surrendered unconditionally to Me in depth and breadth of surrender that encompasses all—their past and present and future—

eternal, now and later, full, abundant, fulfilling, joyful and laughter-filled, even in trial—peace and provision and promotion. I love you. Protection too, and so much more.

7. I love you. Walk with who I bring you and master disciples make and shrink not back from abundance and favor that I proclaim and bring you and walk you into and among. I love My ways. I have My peoples—My people plural—and My people know My voice and operate by My value system and My value system embraces leadership as never before known and experienced by masses of people who raise themselves by being in My chambers—surrendered—surrendered into leadership—surrendered into love which forgives and forgets and exalts and delights.

8. I love you and I love my ways and My capitols of leadership who leadership arise in continents many—this day, this hour, this moment, in My realm, in your realm—watch Me. Laughers laugh and mockers mock but not for long—watch Me, watch Me, watch Me.

9. I love you. Arise, proclaim your school that is My school and spring forth forward jumping into My arms, as Christopher did, so trusting, so trusting, so explicitly trusting My all, My all, My all.

10. I love you. Exalt Me and exalted you shall be. I love you. I love him. I love you all.

11. Thank you for acting dependently upon Me. I love you. I love your surrender—meekness displayed. Thank you, thank you, thank you.

12. Many Capitols—watch Me, watch Me. Your students—many capitols—watch Me. Many nations—many pages, many books—many new of new things from Me, with Me—enjoy Me, create in Me.

13. I love you.
Relax and enjoy Me.
All is well—on home front and more. Behind scenes and all in Me. Prevail—prevailed—surrendered—successful. Thank you. Thank you. Thank you so much.

14. I love you.
Dad—your real Dad.
Your one and only true Dad of your Spirit man.

Your lover—your Dad.

Dad.

I Am.
